## **BIRTHDAYS:**

A birthday is a big event in a child's life and parties are encouraged. Parents (family and guardians) are more than welcome to attend parties at school. Please ensure that if you choose to send something to eat, it should be enough for the whole group. Ideally it should be pre-packed in containers.

## **Fees**

### **SCHOOL FEES:**

The monthly school fees are payable strictly in advance and must be paid on or before the third day of each month.

### **METHOD OF PAYMENT:**

Internet transfers and cash are accepted as methods of payment. If you prefer to make an electronic payment, please use your child's name and surname as reference. Cash payments are to be handed to the receptionist in the School office, in order for a receipt to be issued immediately.

### **REGISTRATION FEE:**

A once off, non-refundable registration fee is payable on the signing of this agreement. Once the agreement has been signed, the parent/guardian is responsible for a month's fee, whether or not the child(ren) attend PRINSIES & PRINSESSIES, or if the application is cancelled before the child(ren) start care at PRINSIES & PRINSESSIES.

### **RE-REGISTRATION:**

An annual re-registration fee will be levied each October, for the following year. The re-registration fee will be the difference between the deposit paid and the following years' school fees. ### **INCREASE IN FEES:**

Parents acknowledge that fees are subject to change and will be regarded as fees to be paid and agreed upon in this agreement.

If fees are still outstanding by the 15<sup>th</sup> of the month, the school will have the authority to terminate the attendance of your child. This could result in cancellation of the contract and forfeiture of your deposit.

### **ABSENCE, ILLNESS, CONTAGIOUS DISEASES, OR VACATION:**

No discount will be given when a child is absent due to illness or vacation, or interruptions due to school holidays. The parent(s)/guardian(s) agree to remain liable for the full fee (as if the child(ren) attended school) for the full 12 months period. The parent(s)/guardian(s) agree not to give notice during November as to whether or not the child will be returning to our school or if he/she will for any reason be leaving. The last date on which notice of discontinuance of attendance can be accepted, is on **01 September, for the end of October**. Unfortunately there can be no exceptions to this rule. Should you require clarity on the issue, please do not hesitate to discuss this before the signing of the agreement.

### **NOTICE OF DISCONTINUATION OF ATTENDANCE:**

Written notice of your child's intention of leaving the school must be given at least two calendar months in advance. The fee for the last month is payable in full, even if the child does not return (for whatever reason). The deposit is refundable with two calendar months' notice and will be used as the last months' fee. November will not be accepted as the last month of the contract and December will be charged at full.

## DISCIPLINARY POLICY

The school has CCTV cameras in the classrooms. Only management has full use and access of the CCTV cameras and footage. Footage will not be given as any means to identify or prove behavioral issues or any other reason, to any person outside of the Management of Prinsies & Prinsessies. This is to ensure the privacy of other learners.

The following process will be followed, should we identify a behavioral problem (for example biting) or any other disciplinary problem:

In the case of general, **not serious behavior** (such as when a child takes toys from another), the teacher, or any other member of Prinsies & Prinsessies will kneel down to the child's eye-level and explain in a loving manner that the behavior is unacceptable. The child will be asked to say sorry to the other child. Possible "think time" (time out) may be given. The process is completed.

In the case of **less serious behavior** (such as biting or hurting someone as a first offence), the teacher will follow the same process as in the not serious behavior and discuss it informally with the parent(s)/guardian(s). The parent will be requested to sign a discussion register. If the behavior improves, the process is completed. If the behavior does not improve, it will be treated as serious behavior.

In the case of **serious behavior** (for example persistent bullying, persistent biting and or any other serious behavioral problems that may be encountered) the teacher will follow the process of not serious and less serious behavior. After three notes in the discussion register, the behavior will be referred to Management. The parent(s)/guardian(s) will work with Management and the class teacher to find possible solutions to change behavior positively. The behavior will be monitored for a period of two weeks and if no behavioral changes occur, another meeting with Management and the teacher will be scheduled. A list of proposed therapists will be provided to the parent(s)/guardian(s) and therapy may be required if the behavior does not improve in a reasonable agreed period. If the parent(s)/guardian(s) refuse intervention/evaluation/therapy, Prinsies & Prinsessies will retain the right to terminate the contract with immediate effect, on the basis of protecting the interests of the child, other children and staff of Prinsies & Prinsessies.

## Breastfed babies

What a privilege to have a breastfed baby! Dear Mommy, because you love your baby so much and want the best care for your baby at our school, we request that your baby should be able to drink from a bottle. If your baby cannot drink from a bottle, we cannot offer the optimal care for your baby. Therefore, the Management reserves the right to refuse your baby for care.

## Deal effectively with Separation Anxiety

Ask yourself the following:

- Were there any changes in routine or environment?
- Did he/she experience any trauma?
- Is there conflict or tension in the family?
- Does he/she feel safe and cared for at all times?

Tips for dealing with separation anxiety

- Have **PATIENCE** with your child.
- Send a **COMFORTING ITEM** with him/her to school.
- **PREPARE** him/her for the day: what to expect to happen during the day and when he will see you again.
- Never leave without saying **GOODBYE**, but keep it short. Assure him/her that you are coming back.
- **KEEP YOUR ROUTINE.**
- Get a **PROFESSIONAL**'s opinion if necessary.

# Why I bite my friends

Small children have not yet learned how to communicate their needs and emotions effectively, thus they might bite or pinch their friends to give them the message that they are not approving of the current situation. In most of these cases the child is feeling angry, frustrated, irritated or even overly excited. They have a feeling that needs to be expressed - now!

## A few reasons why children bite their friends

- In most of the cases a friend did something the child didn't approve of and the child sends his friend a message by biting (or pinching) him. He gets his friend's attention for sure!
- Children thrive on structure and routine. When there is a chaotic environment, he feels as if everything around him is out of control and he might seek a way to get rid of his anxiety and discomfort.
- Overstimulation makes children feel irritated and tired which can also cause a child to behave inappropriately.
- Leaving your child with nothing to do leads to boredom and as you know, 'boredom is the devil's new playground'.
- When a child is experiencing stress due to changes in the family, trauma or any other reason, he might bite a friend to redirect his own frustrations, anger or sadness.
- Diet also plays an important role in children's behaviour. A child eating too much sugary foods and carbohydrates gets irritated easier.
- Tiredness and hunger makes a child feel irritated, which is enough reason to lash out towards the person closest to him or her.
- There are instances where children use biting to manipulate and test the boundaries.
